

FLOOD CONTROL DISTRICT OF MARICOPA COUNTY

OPEN HOUSE

Bullard Wash Channel Improvements Phase II

Study Area

Public Meeting Location

Tuesday, August 13, 2002

6:00 p.m. to 7:30 p.m.

Estrella Mountain Community College
3000 North Dysart Road
Avondale, Arizona

The Bullard Wash Channel Improvements (Phase II) project is a partnership between the Flood Control District of Maricopa County and the City of Goodyear. The project includes the creation of a greenbelt facility as well as a channel in the existing floodplain. Landscaping, irrigation, trails, and other multi-use facilities will be provided within the channel alignment.

The purpose of the open house is to provide information on the project and to receive input from the public. This is the first of two public meetings for the project.

A sign language interpreter will be made available upon request with 72 hours notice. Alternative format materials, FM or infrared listening devices are also available upon request with 72 hours notice. Additional reasonable accommodations will be made available to the extent possible with the time frame of the request. Please call Michael Book at 480-967-1343 for more information.
